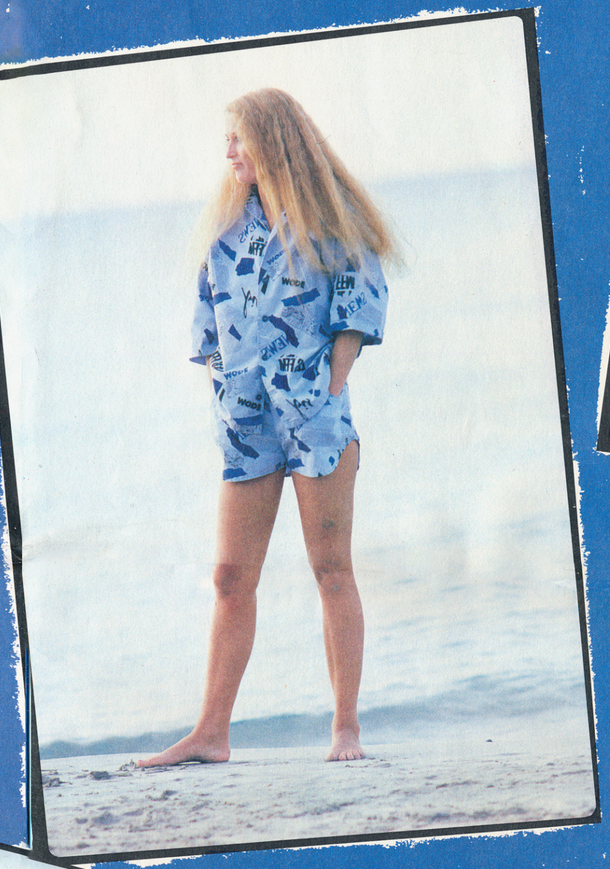
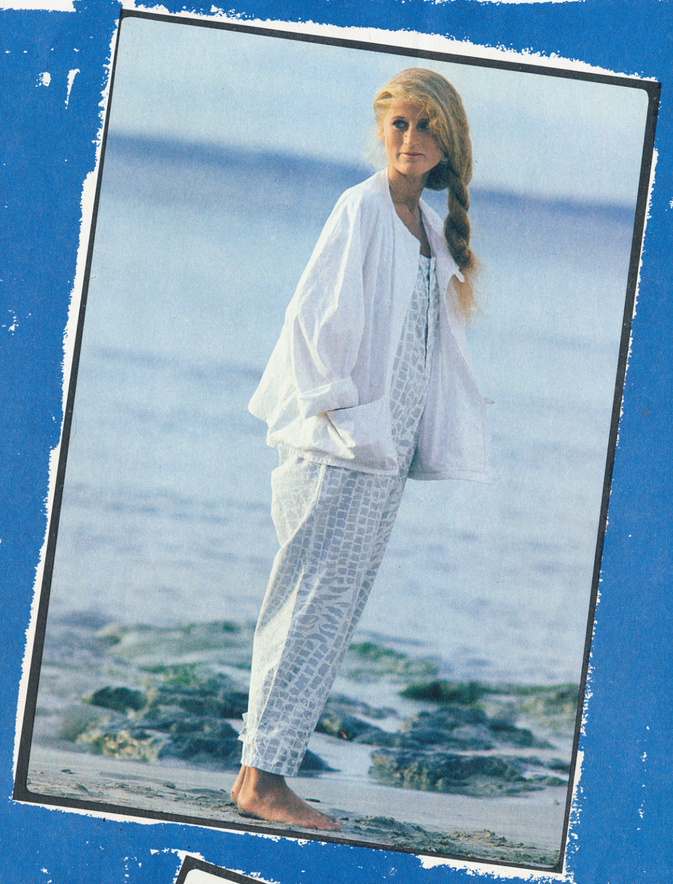
SUMMER BREEZE

Enjoy the sun
Have all the fun

Look at the sea
— it's very nice to be!





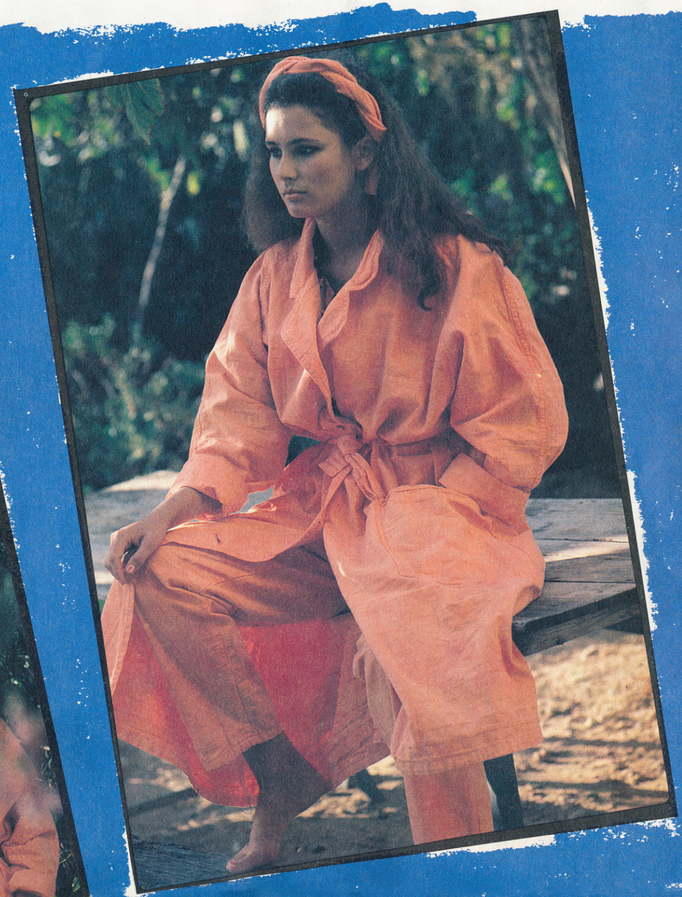
ROSES OF ROMANCE

So very nice is the feeling
of this noon
... waiting for the evening
and full moon.

CRAZY HARLEQUINS

This is the day of harlequins,
summer shows and tanned chins.

Just take a look under the masks
and see who's forgotten all her tasks.



WINGS OF FREEDOM

Who counts my dreams
they come and go
and in the shade of trees
I know:
my dreams are free as the wind
that blows
can they come true?
— nobody knows.

Just turn around,
listen to the sound:
wind, waves, birds and trees
... you've got very nice memories.
